Financial Statements for the Years Ended June 30, 2017 and 2016 and Independent Auditors' Report

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Let Me Run, Inc.:

We have audited the accompanying financial statements of Let Me Run, Inc. (the "Organization") which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting principles in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with generally accepted auditing standards in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Let Me Run, Inc. as of June 30, 2017 and 2016, and the change in net assets and its cash flows for the years then ended in accordance with generally accepted accounting principles in the United States of America.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2017 AND 2016

SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

<u>Operations</u> - Let Me Run, Inc. (the "Organization") is a not for profit organization that created a seven-week running program for pre-teen and teenage boys, led by trained coaches from the local community. The boys exercise and participate in fun activities, which help them learn how to express themselves, reach personal goals, and improve their overall wellness. At the end of the program, the boys celebrate their hard work with a 5k road race.

<u>Use of Accounting Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

<u>Financial Statement Presentation</u> - The net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not restricted by donors or for which donor-imposed restrictions have expired.

Temporarily restricted net assets - Net assets that contain donor-imposed time or purpose restrictions that have not currently been met.

Permanently restricted net assets - Net assets which contain donor-imposed restrictions stipulating that the amounts be maintained by the Organization in perpetuity. There were no permanently restricted net assets as of June 30, 2017 and 2016.

<u>Cash and cash equivalents</u> - The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. The Organization maintains cash deposits with financial institutions that, at times, may exceed federally insured limits.

<u>Revenue Recognition</u> - Tuition and fees is recognized as revenue over the period in which instruction or educational service is provided.

The Organization recognizes contributions that are given unconditionally in the period the contributions are received or promised, whichever is earlier.

Contributions containing donor-imposed restrictions are reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a time or purpose restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the period in which the support is recognized.

<u>Contributions Receivable</u> - Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their net realizable value. As of June 30, 2017 all pledges are expected to be collected within one year.

<u>Property</u> - Property is recorded at cost, if purchased, and at estimated fair market value at the date of receipt, if donated. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. The Organization capitalizes expenditures for property and equipment over \$500.

<u>Donated Assets</u> - Donated property, marketable securities and other noncash donations are recorded as contributions at their estimated fair market value at the date of donation. Noncash donations of \$3,000 during the year ended June 30, 2017 were recorded as contributions.

<u>Donated Services</u>- A number of volunteers, including members of the Board of Directors and its committees, as well as various volunteer assistants contribute significant amounts of time to the Organization's program and support functions. The value of this contributed time does not meet the criteria for recognition of contributed services and, accordingly, is not reflected as support in the accompanying financial statements. The Organization received donated legal services of approximately \$16,000 and \$29,000 for the years ended June 30, 2017 and 2016, respectively, that is recorded as contributions and related expenditures in the accompanying financial statements.

<u>Income Taxes</u> - The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

The Organization records liabilities for income tax positions taken or expected to be taken when those positions are deemed uncertain to be upheld in an examination by taxing authorities. No liabilities for uncertain income tax positions were recorded as of June 30, 2017 and 2016.

<u>Functional Expense Classification</u> - The Organization's functional expense classification and allocation policy is based on a review of the current organizational structure, and the identification, reclassification and allocation of certain employee, facility, and departmental expenses, which serve multiple functional areas.

<u>Subsequent Events</u> - In preparing its financial statements, the Organization has evaluated subsequent events through October 30, 2017, which is the date the financial statements were available to be issued.
