**Let Me Run is a nonprofit wellness program that inspires elementary and middle school-aged boys to be themselves, be active, and belong!**

With a comprehensive curriculum that applies the power of running, Let Me Run programming encourages boys to develop their physical, emotional, and social health.

Twice a week for seven weeks, trained volunteer coaches lead a team through practice. Designed to amplify confidence, self-expression, and respect for others, each practice includes a lesson from the Let Me Run curriculum that incorporates running, games, and activities.

Each fall and spring season culminates in a 5k race festival that celebrates the boys' success and personal growth!
